

Nike Travel Awards

Goal

- Support diversity in Footwear Biomechanics by funding underrepresented researchers, regions, sports, or study populations.

Who Can Apply

- Students, postdocs, and early career researchers (within 5 years of first job).
- Not eligible: Full professors or those fully funded by industry (unless only receiving product for research).
- Must have an abstract accepted for FBS 2025 and attend in person.

What It Covers

- Economy airfare, accommodation, and conference fees.
- Funding varies based on need and travel distance.

How to Apply

- **Submit by January 10, 2025:**
 - o Research abstract.
 - o Budget estimate.
 - o 1-page statement explaining need and career benefits.
- Shortlisted applicants may have a video interview.
- Decisions by January 31, 2025.

Selection Criteria

- Focus on diversity and financial need.
- Impact on career and quality of research.

Responsibilities

- Awardees must attend the conference and have their abstract accepted.
